6.0 Selection Method:

- a) Admissions will be based on merit in the Grade Point Average (GPA) and Grade obtained in each subject in 10th class, and by following the statutory reservations of the and as per the provisions of Presidential Order, 1974. A deprivation score of 0.4 prescribed by the Government under Statute 13 (3), shall be added to the normalized score of applicants from non-residential Government Schools including the Zilla Parishad and Municipal Schools for selection, with an objective of providing weightage to help the students from socially, economically deprived sections of the society for admissions.

Note: As specified in the Presidential Order 371 Article D in consonance to Section 95 of the A.P. Reorganization Act, 2014, 15% of the total seats shall be reserved for both the Telangana and Andhra Pradesh students and selection to these 15% seats shall be done on merit basis.

- b) In case of a tie in score, it will be resolved by adopting the following options in that sequence:
- (i) higher grade in Mathematics,
 - (ii) higher grade in General Science,
 - (iii) higher grade in English,
 - (iv) higher grade in Social Studies,
 - (v) higher grade in 1st Language,
 - (vi) older candidate as per the Date of Birth,
 - (vii) lowest random number obtained from the hall ticket number.

The procedure of resolving the tie by random number is as follows.

For SSC, NIOS & OSSC applicants

- The random number will be obtained as the remainder of $\{253 \times [\text{first 5 digits of the hall ticket number}] \text{ divided by the last 5 digits of the hall ticket number}\}$
- For example, from the hall ticket no.1219121028, the first five digits viz., 12191 and the last five digits viz., 21028 will be considered for this purpose. The remainder is 14235.
- The lowest remainder obtained from the hall ticket number shall be considered as merit.

For CBSE & ICSE applicants

The Hall ticket consists of seven digits. Hence, the random number will be obtained as the remainder of $\{253 \times [\text{first 3 digits of the hall ticket number}] \text{ divided by the last 4 digits of the hall ticket number}\}$.

For example, from the hall ticket no.:4112605, the first three digits viz., 411 and the last four digits viz., 2605 will be considered for this purpose. The remainder is 2388.

The lowest remainder obtained from the hall ticket number shall be considered as merit.

If the tie is resolved with any one of the check points in the chronological order mentioned above, the next option(s) will not be checked.
